

International Conference on Rural Livelihood Improvement by Enhancing Farmers' Income through Sustainable Innovative Agri and Allied Enterprises (RLISAAe)

30th October to 01st November 2018, Birla Institute of Technology, Patna

BEST POSTER PRESENTATION AWARD

Assessment report of POSTER presentations by duly constituted evaluation committee under different themes. The results of award winner are as follows:

Crop/Horticulture

- 1 Study of the Effect of various Plant Densities on pod yield of two 1st
cultivars (PKM-1 & PKM-2) of Moringa (*Moringa oleifera*)
-Abin K James and Devi Singh
- 2 Soybean Emerging as an Important Kharif Crop of Khagaria District 2nd
replacing Kharif Maize and Upland Paddy for Higher Income
-Jitendra Kumar, Brajendu Kumar, and Ranjeet Pratap Pandit
- 3 Papaya cultivation : a boon for the farmers of Khagaria district 3rd
-Ranjeet Pratap Pandit, Brajendu Kumar, and Satendra Kumar

Biotic and abiotic stress management

- 1 Variability in Chickpea Rot-causing Soil-borne Necrotrophs, Sclerotium 1st
rolfsii and Macrophomina phaseolina
*-Anita Kumari and Abhijeet Ghatak**
- 2 Physiological attributes of some maize (*Zea mays* L.) genotypes screened 2nd
for drought tolerance in Bihar state, India
-Kavita, Ajay Kumar and Sangeeta Kumari*

Natural resource management and integrated farming systems

- 1 Chlorophyll Content in Leaf and Nutrient uptake by Plant as influenced by different Sources of Nutrients in Rainfed Soybean 1st
-Abhishek Sharma, P. Sirothiya, S.B. Agrawaland U.S. Mishra*
- 2 Nutrient Management in Maize (Zea mays l.) through Varying NP Level and Bio-fertilizers 2nd
-Kamlesh Kumar Singh, Anupam Adarsh, Sunita Kumari, Brajesh Shahi and Anupma Kumari

Agricultural engineering for precise agricultural production system

- 1 Low cost Polytunnel dryer technology for farm households 1st
-Indore Navnath S, Akhoon A. B, Dhirtiman Saha, R. K. Singh and Malathi A.N
- 2 Intervention of Groundnut Decorticator in upliftment of social and economic status of rural women in Nalanda district 2nd
-Jyoti Sinha, Kumari Punam Pallavi and Sanjeev Kumar

Breakthrough technologies in Livestock for doubling farmer's income and livelihood improvement

- 1 Successful Management of Canine Atopic Dermatitis in Dog 1st
-Sushil Kumar, Bipin Kumar, Sanjay Kumar and Rajiv Kumar*
- 2 Study of Adoption level and constraints faced by rural women in backyard poultry farming 2nd
-Jyoti Kisku, J. Oraon, Alok Kumar Pandey, Bhushan Kumar Singh, Komal Chandrakar*
- 3 Comparative evaluation of 'Azolla' with wheat bran & mustard cake in cross breed cow 3rd
-Sanjay Kumar, Sushil Kumar, Bipin Kumar, Manikant Sinha*

Role of Dairy sector and food processing in enhancing farmer's income

- 1 Pediocin and *Murraya Koenigii* Berry Extract: Antilisterial, Antimicrobial and -Antioxidant Effects in Refrigerated (4±1 °C) Goat Meat Emulsion 1st
-Yogesh Kumar
- 2 Preparation of curcumin encapsulate using milk based components 2nd
-Sunil Meena, Kaushik Khamrui, Writdhama Prasad, Shaik Abdul Hussain
- 3 Antioxident Activity and Phenolic Content of Candy Prepared from Kinnow Peel, Lemon Peel and Carrot 3rd
-Monika Mathur and Raj Bala Grewal

Interface between research and industry for enhancing farmer's income

- 1 Study on Knowledge of Maitris on Livestock Extension Services in Chhattisgarh 1st
-Komal Chandraker, B.C.Das, Nandita Bera, Jyoti Kisku and A.K.Pandey

Challenges and opportunities in enhancing farmer's income

- 1 Studies on storage loss of oyster mushroom during summer season 1st
-Savita Kumar and Anupma Kumari
- 2 Economic impact of Cluster Front Line Demonstration (CFLD) on Pulse Crops in Chatra District of Jharkhand in India 2nd
-D.Oraon, R.K.Singh, U.K. Singh and Z.Alam
- 3 Impact of Training Programme in Home Science for Creating Self Employment in Khagaria District 3rd
-Anita Kumari, Brajendu Kumar and Satendra Kumar
